Supporting Student Mobility (EMREX)

Hi and welcome to Emrex!

Welcome! With this service you can retrieve your achievement records from studies at another university or college. Importing your records is a quick and easy process.

1. Select the country from which you want to retrieve your achievement records
2. Use the credentials from the host university where you studied to log into the system where your results are stored.
-- You will be able to import results from all the universities you studied at in that country (if part of EMREX)
3. Select the achievement records you want to import
4. Review and confirm the selection. The records will be sent to your home university and you will be sent a copy if you'd like.
5. Afterwards you will be asked to answer a few questions about the tool to help us develop it further.

So let's get started by selecting a country!

Choose Your Exchange Country:

- Select [Test] Finland
- Select [Test] Italy
- Select [Test] Norway
- Select [Test] Poland
- Select [Test] Sweden
